THE BESPOKE COLLECTION A WORLD OF EXTRAORDINARY LUXURY

The Bespoke Collection is more than just a stay—it is a gateway to a world where your every moment is thoughtfully designed and luxuriously enhanced. Imagine arriving to a VIP welcome, whisked effortlessly to your private suite, where sophistication and comfort embrace you.

Divided into two categories—The Bespoke Suites Collection and The Bespoke Top Tier Collection—this collection offers unparalleled experiences for families and couples alike.

For families, it's a haven where your to-do list vanishes. Picture the kids dashing off to the Explorer's Kids Club at Parklane, their faces lighting up with excitement as they dive into adventures crafted just for them. Meanwhile, you recline by your private cabana, sipping on a refreshing cocktail, with nothing but the serene sound of waves in the background. Whether indulging in bespoke dining experiences or sharing moments at a traditional taverna, creating memories here is effortless, joyful, and unforgettable.

For couples, The Bespoke Collection transforms an escape into a romantic masterpiece. Envision the clink of Champagne glasses as the Mediterranean breeze whispers promises of relaxation. Your mornings begin with breakfast in a private, tranquil setting, where time feels as though it slows just for you. Luxurious spa treatments melt away the world's cares, while evenings are painted with soft melodies, rich Cypriot wines, and the glow of starlit skies. Every detail is perfected to ensure you are swept away in an unforgettable tale of romance.

From private check-ins and seamless airport transfers to a dedicated concierge ready to fulfil your every desire, The Bespoke Collection invites you to immerse yourself in a world of privileges. Relax in an adults-only breakfast area at The Gallery or let the Kalloni Spa rejuvenate your senses with complimentary thalassotherapy. With a €400 resort credit for stays of four nights or longer, you can enhance your experience even further—be it a private excursion to an UNESCO-listed village or a perfume-making workshop that bottles the essence of your stay.

The Bespoke Collection is not just a stay—it is a story waiting to be written. And it begins with you.
